Brief Description: This is the 9th annual Winter Classic Charity Softball Event. This outdoor event in February raises money to fight against Veteran Homelessness right here in Maine. Each year 100% of the money raised goes towards a local organization that directly helps in getting Veterans off the streets. With great success in past years we are now opening the donations up to businesses in hopes of accelerating a 0% Veteran homelessness goal in our great state of Maine. Feel free to join us on the field or come for the fun. There is no rain date for this game as the homeless are not afforded a rain date. We play in the cold so that others do not have to live in the cold. Each team that plays donates \$200 towards the event. That amount has become the suggested donation however any amount is appreciated. All donations are tax deductible. Thank you.
